 - any other agency of the state,
 - any other state,
 - the Federal Government, or
 - any other person or entity.

Program Requirements (cont.)

 - applicable federal, state, and local hate crime laws,
 - local law enforcement resources, and
 - applicable local support services.
- The hotline is accessible to—
 - individuals with limited English proficiency, and
 - individuals with disabilities.

Program Objectives

1. Collaborate with stakeholders, including victim service providers, survivors, persons with lived experiences, community-based organizations, culturally specific organizations, faith-based organizations, and other allied professionals and key stakeholders to complete a community resource map to identify the needs of the community and the resources available address those needs through a state-run hate crime reporting hotline.
2. Conduct strategic planning to identify gaps and facilitate implementation of the state-run hate crime reporting hotline. Community stakeholder input should be considered in this process.
3. Develop an outreach/marketing plan that outlines how the grantee will raise awareness of the state-run hotline, particularly for communities and individuals most likely to be targeted by hate crimes.
