Helping Crime Survivors Find Their Justice

FY 2023 TVSSA Program Overview

OVC's FY 2023 Tribal Victim Services Set-Aside (TVSSA) Formula Grant Program provides support to tribal communities to enhance services for victims of crime through activities that address the needs of a wide variety of crime victims in tribal communities.

Funds can be used for:

- direct victim services
- community needs assessment;
- strategic planning;
- program development and implementation;
- program expansion; and
- other activities to address the needs of a wide variety of crime victims in tribal communities.

Key Aspects of TVSSA

Funds are awarded annually using a noncompetitive administrative formula.

Grants may be awarded for (or extended to) a project period of up to 60 months.

TVSSA has a 2-phased application process.

There are 3 application options: An easy checklist, an interview with OVC, or a traditional project narrative.

Focus Areas Under the TVSSA Program

OVC funds must be used to support victims of crime.

Examples of allowable focus areas to serve victims of crime include

(but are not limited to):

Sexual Assault Program

Domestic Violence Program

Assisting Victims of Financial Abuse and Exploitation

Serving Male Survivors of Crime

Vulnerable Adults and Elder Abuse Program

Child Abuse Programs including Child Advocacy Center

Comprehensive Victim Assistance Program

Law Enforcement Based Victim Advocacy

Civil Legal Assistance for Crime Victims

Examples of Allowable and Unallowable Activities

Examples of Allowable and Unallowable Costs

A. Personnel

Personnel Costs: Award funds may be used to pay the salary for full- and part-time employees who will spend their time and effort providing services to victims of crime. See DOJ Grants Financial Guide ([3.9 Allowable Costs, Compensation for Personal Services](#)) and [2 C.F.R. § 200.430](#).

Note: Recipients must track staff time spent on grant activities. Time not spent on grant-related activities (i.e., not allocable to the grant) may not be charged to grant funds.

Example:

- If the Executive Director is expected to spend only 30% of their time on grant activities, salary for the position should be budgeted at 30% of annual salary.
- The recipient must keep documentation (e.g., timesheets) that show the Executive Director's time spent on grant activities, and this documentation must be consistent with the amount of grant funds obligated, expended, and drawn down for those activities.
- If the Executive Director ends up spending only 20% of their time on grant activities, the grantee may only obligate, expend, and draw down funds commensurate with that, and not the full 30% budgeted.

Unallowable Costs

While these funds can be used to provide a wide range of services for victims of crime, there are some **statutory limitations** on how the funds can be used.

These funds cannot be used to pay for costs associated with:

- ⊘ Services for criminal offenders;
- ⊘ Primary crime prevention activities;
