

THE CLARK GROUP, LLC

About Us

The Clark Group, LLC (TCG) is an environmental consulting firm founded in 2001 to help clients develop solutions that balance environmental protection and economic growth. With extensive expertise in environmental regulations, policies, and compliance, we provide clear guidance and develop essential documentation for our clients' needs.

Our multidisciplinary team includes some of the nation's leading environmental experts, with decades of experience working for and alongside federal agencies and private sector clients. Partnering with senior-level advisors, we develop innovative solutions for local, state, and federal governments; tribes; nonprofit organizations; and private applicants navigating federal requirements.

As a Small Business Administration-certified Woman-Owned Small Business, we are committed to excellence, quality, and innovation. Every day, we help our clients make informed decisions, gain stakeholder buy-in, and achieve sustainable, resilient outcomes.

Office for Victims of Crime (OVC) Environmental Compliance Support

TCG supports OVC to fulfill National Environmental Policy Act (NEPA) and related environmental and historic preservation compliance requirements for individual grant projects. We provide outreach and technical assistance to grantees, develop project-specific environmental assessments, and coordinate interagency consultations, including those required under Section 7 of the Endangered Species Act and Section 106 of the National Historic Preservation Act.
